

# Summer Programs 2012

## MAKE YOUR SUMMER COUNT!

Participating in a summer program is a great way to spend your summer. You will experience the excitement of college life at a college campus, you get to explore new programs and careers, and make friendships that last a lifetime with people from around the globe.

Name of Program	Dates	Description	Deadline	Cost
<b>SAMS: The Summer Academy for Mathematics and Science at Carnegie Mellon University</b>	June 25 <sup>th</sup> - August 6 <sup>th</sup>	<p>The Summer Academy for Mathematics and Science is a rigorous residential summer experience. Students who are entering their junior or senior year and are considering careers in engineering, science and other math-based disciplines are eligible to apply. Students must be at least 15 years old to participate in this program.</p> <p><a href="http://www.cmu.edu/enrollment/summerprogramsfordiversity/apply.html">http://www.cmu.edu/enrollment/summerprogramsfordiversity/apply.html</a></p> <p>A limited number of rising high school seniors may be selected to participate in <a href="#">Advanced Placement/Early Admission</a>, fine arts programs in <a href="#">architecture</a>, <a href="#">art</a> &amp; <a href="#">design</a>, <a href="#">drama</a> or <a href="#">music</a>, or the <a href="#">National High School Game Academy</a> which also run from June 30 - August 10, 2012.</p>	April 1 <sup>st</sup> , 2012	FREE! There will be no tuition, housing or dining fees for students selected to attend SAMS. Students will, however, be responsible for books, supplies, transportation and recreational expenses. Textbook costs vary from year to year. An estimate would be \$150-\$200.

<b>2011 UF Young Entrepreneurs for Leadership &amp; Sustainability Summer Program</b>	June 28 <sup>th</sup> - July 29 <sup>th</sup>	<p>This program is for motivated, college-bound high school sophomores and juniors who are interested in <i>Entrepreneurship, Social Entrepreneurship, Leadership, and Sustainability</i>. Applicants should be successfully pursuing a rigorous high school curriculum as demonstrated by their transcripts.</p> <p>Application available at:  <a href="http://ufyoungentrepreneurs.org/apply/application">http://ufyoungentrepreneurs.org/apply/application</a></p>	March 1, 2012	<p>\$6,000. This fee covers tuition, books, housing in a student residence hall, an unlimited meal pass, field trips, community service, and most activities for the duration of the 5 week program. A \$500 deposit is due two weeks following the notification of acceptance.</p> <p>Full and partial scholarships are available to a limited number of students who demonstrate financial need and whose academic performance has been outstanding.</p>
<b>Boston University High School Honors Program</b>	July 1 <sup>st</sup> - August 11 <sup>th</sup>	<p>We consider academically motivated applicants who are entering their junior or senior year of high school in 2012. Qualified juniors need to be in Honors and/or AP courses to be considered. Admission is based on a combination of high school grades, courses taken, standardized test scores, personal statement, and two letters of recommendation</p> <p>Application available at: <a href="http://www.bu.edu/summer/high-school-programs/">http://www.bu.edu/summer/high-school-programs/</a></p>	May 14, 2012. Applicants applying for financial aid need to submit their completed applications by April 20, 2012.	Tuition \$4,520.plus room and board. Financial aid is available for the High School Honors Program. Awards cover partial tuition and fees and are based on both financial need and merit.
<b>Boston University Research Internship</b>	July 1 <sup>st</sup> - August 11 <sup>th</sup>	<p>We consider applicants who are entering their senior year of high school in 2012. Admission is based on a combination of high school grades, courses taken, standardized test scores, personal statement, and two letters of recommendation.</p> <p><a href="http://www.bu.edu/summer/high-school-programs/research-internship/">http://www.bu.edu/summer/high-school-programs/research-internship/</a></p>	April 2, 2012 Admissions are made on a rolling basis, and only completed applications are reviewed until the application deadline. We will begin reviewing	<p>\$3,600 plus room and board.</p> <p>Financial aid is available for the Research Internship in Science and Engineering Program based on need and merit. Awards cover partial tuition and fees.</p>

			applications in the beginning of January.	
<b>Boston University Summer Challenge Program</b>	<p>June 19- June 29, 2012</p> <p>July 8th - 20, 2012</p> <p>OR</p> <p>July 22 - August 3 2012</p>	<p>For high school students entering their sophomore, junior, or senior year in fall 2012, Summer Challenge is a perfect opportunity to explore existing interests, investigate new topics, take classes not offered in high school, and maybe even determine a college major. The two-week residential program offers a preview of college life, while non-credit coursework allows students to concentrate on a high level of learning and achievement alongside their peers, without focusing on grades.</p> <p><a href="http://www.bu.edu/summer/high-school-programs/summer-challenge">http://www.bu.edu/summer/high-school-programs/summer-challenge</a></p>	<p>There is no application deadline. Admissions are made on a rolling basis, and only completed applications are reviewed.</p> <p>We will begin reviewing applications in the beginning of January.</p>	\$3,360. program fee includes tuition, housing, and all meals in the dining hall. It also includes textbooks and all sponsored activities during the two weeks of the program.
<b>Boston University Summer Preview</b>	<p>June 25- June 29, 2012</p> <p>July 22 - 27, 2012</p> <p>OR</p> <p>July 3rd- August 27, 2012</p>	<p>For students entering their freshmen or sophomore year of high school in fall 2012, the one-week, non-credit, commuter Summer Preview Program provides an opportunity for students to explore an academic interest in-depth, investigate a subject they are curious about, as well as gain excellent preparation for the increasingly competitive college admission process. Summer Preview students enroll in one, non-credit seminar, choosing from two exciting subjects.</p> <p>Each seminar is designed to be small and engage students in an intensive exploration of a specific topic through lectures, discussions, and individual and group work. Students also benefit from a college workshop that gets them thinking about what they can do in high school to</p>	<p>There is no application deadline. Admissions are made on a rolling basis, and only completed applications are reviewed. We will begin reviewing applications in the beginning of January.</p>	\$1,175

		<p>maximize the effectiveness of their college applications.</p> <p><a href="http://www.bu.edu/summer/high-school-programs/summer-preview">http://www.bu.edu/summer/high-school-programs/summer-preview</a></p>		
<p><b>American University Community of Scholars</b></p>	<p>July 9-July 27</p>	<p>The Community of Scholars program is a rigorous college-credit summer program designed for students entering their junior and senior years of high school. The Community of Scholars offers academically outstanding students the chance to broaden their understanding of international relations by enrolling in a three-credit college class designed just for them. Students admitted to this program will sample the undergraduate experience and take advantage of what the School of International Service (SIS) has to offer.</p>	<p>April 1 to be considered for financial aid</p>	<p>Varies. There are a limited number of need-based scholarships for Washington, D.C., students. For more information, please email <a href="mailto:communityofscholars@american.edu">communityofscholars@american.edu</a>.</p>
	<p>July 29-August 3, 2012 and online learning; July 9-August 3, 2012</p>	<p>Program I- Three-week, non-residential, on-campus program—July 9-July 28, 2012: \$2,575</p> <p>Program II- Four-week hybrid program, combining learning online with a residential component—July 11-July 30, 2011, online learning; July 29-August 3, 2012, in residence on AU campus: \$3,075</p>
